Voucher

Monetary Solicitation Law in City of Atlanta

Atlanta law prohibits unwanted monetary solicitation, or panhandling. Monetary solicitation is the act of asking an individual, either verbally or by gesture, for an immediate distribution of money or anything of monetary value

*The prohibition applies only to that portion of the fifteen feet located on public property

Health For You

The City of Atlanta completed the implementation of its homeless "service provider system." As part of the system, the City designated organizations to distribute food to all homeless people in Atlanta.

To ensure that the citizens of Atlanta use the system, the Mayor instructed the Chief of Police to begin enforcing existing Fulton County health ordinances.

The ordinances prohibit serving food to the public without a permit.
